08 Sept. 2022 - ISRI congratulates TESDA-CAR-RTC for excellence award.

Itogon-Suyoc Resources, Inc. (ISRI) paid a courtesy visit to TESDA Regional Director Jovencio M. Ferrer (seated), congratulating the TESDA RTC-Baguio for its recent win at the 2021 TESDA Organizational Excellence Award. TESDA RTC-Baguio was awarded the Best Training Institution in the regional/specialized training category during the 28th TESDA Anniversary Culminating Activity held at the TESDA Women's Center, TESDA Complex, Taguig City on 31 August 2022. ISRI and the RTC-Baguio of TESDA-CAR have an ongoing collaboration in enterprise-based training and Supervised Industry Learning (SIL), jointly conducting training courses that are aligned with the needs of ISRI. In April this year, 40 underground mine operators of ISRI earned their NC2 certification under this scheme.

Visiting RD Ferrer were ISRI's HR Manager Ohwie Talosig (extreme right) and Apex Mining's AVP for corporate affairs and communication Ma. Teresa L. Pacis. Also in photo are RTC-Baguio's Acting Center Administrator Daisy C. Bungallon and Vocational Instruction Supervisor Annelyn M. Gaspili. ISRI is a fully owned subsidiary of Apex Mining. ###
