ISRI Passes NQA Audit; Certified Compliant to Global Standards

09 June 2023 — Itogon-Suyoc Resources, Inc. passed the certification audit conducted by NQA Philippines. The scope of the audit of ISRI's two sites, Sangilo (Poblacion, Itogon) and Suyoc (Palasan, Mankayan) Mines covered exploration, mining and processing of gold and silver ore. The certification audit, completed on 06-07 March 2023, affirms that ISRI has fulfilled the requirements of BS EN ISO 9001:2015 (Quality Management System), BS EN ISO 14001:2015 (Environmental Management System) and ISO 45001: 2018 (Occupational Health and Safety). In 2022, ISRI produced more than 9,200 ounces of gold and around 629 ounces of silver. (30)
