MINING CO., INC.

Apex Mining Co., Inc. proudly announces that five of its scholars have successfully passed the 2025 Nursing Licensure Examination, marking a significant milestone in the company's sustained commitment to education. These newly licensed nurses are beneficiaries of Apex Mining's Social Development and Management Program (SDMP), which continues to champion the Sustainable Development Goal on Quality Education by supporting deserving students in their pursuit of professional excellence.

This achievement reflects Apex Mining's core values of excellence and sustainability. By empowering scholars to become competent professionals and future leaders in healthcare, the company reinforces its belief that sustainable development is best achieved through education that uplifts individuals, strengthens communities, and creates lasting positive impact beyond the life of the mine.
