HONG KONG, 25 JUNE 2026 — Apex Mining Co., Inc. earned two more international recognitions with two Gold Awards at the prestigious FinanceAsia Asia's Best Companies 2026 (the awards ceremony was held at the Conrad Hong Kong on 25 June 2026).

Apex Mining received two gold awards — one for Best Managed Company – Basic Materials in the Industry Category and Best Managed Company – Market Category. FinanceAsia Best Companies 2026 is considered the benchmark of Asia's best companies and is based on nominations by Asia's active community of influential investors and financial analysts who evaluate the corporate behaviour and performance of Asian peers over the past 12 months.

These recognitions affirm the company's strong corporate governance, sound financial management, strategic leadership, and commitment to creating long-term value for its stakeholders.

This is the second consecutive year that Apex Mining has been recognized by FinanceAsia. In 2025, the Company received the Bronze Award for Best Managed Company – Basic Materials.

This excellence was made possible by the collective ethical work practices of the company's One Team, One Game. (30)

About Apex Mining: APX is a publicly listed mining company. It operates the Maco Gold Mine in Maco, Davao de Oro while its fully owned subsidiary, Itogon-Suyoc Resources, operates the Sangilo Mine in Itogon, Benguet. Another fully owned subsidiary, Monte Oro Resources, Inc. owns the other business interests of APX, both in the country and abroad. Its subsidiary, Asia-Alliance Mining Resources Corp is currently in its permitting and development phase.
