ISRI Cares for kiddie health.

On 17 June 2026, Itogon-Suyoc Resources, Inc. (ISRI) distributed hygiene kits to kids at the Itogon Central School Child Development Center and Kindergarten, Goldfield CDC and Kindergarten, Mambolo CDC, and Solomon Solano ES Kindergarten, helping promote health and proper hygiene in the community.

Punong Barangay Flordeliza G. Depayo joined the distribution activity. According to Engr Robert F. Wagtingan, ISRI's resident manager, "We constantly consult our host barangays to ensure that we are able to contribute to enhancing the quality of education in Itogon."

About ISRI: Itogon-Suyoc Resources, Inc. is a fully owned subsidiary of Apex Mining Co., Inc. Based in Benguet, it operates the Sangilo Mine in Itogon and spearheads the Suyoc Gold Project in Suyoc.
